

Recognizing Excellence in Health Care

QUALITY CONFERENCE

presented by
Accreditation Canada

February 2-3, 2012
Four Points by Sheraton
Mississauga, Ontario

The spotlight is on you. Join fellow health care professionals from Accreditation Canada's client organizations at this national conference. Share and learn about innovative approaches and exemplary practices in quality improvement that were implemented as a result of accreditation. Also featured will be keynote presentations on emerging issues that impact quality in Canadian health organizations.

Don't miss this chance to learn from peers and quality experts. Join the dialogue and share what you've achieved on your quality improvement journey.

Registration for the two-day conference is \$695.
