CONGRATULATIONS FROM THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

Raising the bar for health quality

I wish to offer my sincerest thanks to all of our client organizations for their investment in and commitment to quality and safety improvement in Canadian health services. We appreciate your participation in the ongoing journey of quality improvement through accreditation.

The achievements of your organization are truly remarkable and should be celebrated. Congratulations.

The following pages list the Canadian health organizations accredited by Accreditation Canada. The list is updated on an annual basis. With the exception of Ontario, Quebec and New Brunswick, each province has been divided into two parts; accredited regional health authorities, followed by all other accredited organizations.

Should any changes occur regarding the name or region of your organization, please notify us. Any questions or comments on this publication should be addressed to Julia Niles at 613-738-3800, or 1-800-814-7769, ext. 259.

President and Chief Executive Officer

FÉLICITATIONS DE LA PRÉSIDENTE- DIRECTRICE GÉNÉRALE

Hausser la barre en matière de qualité de santé

Je tiens à remercier sincèrement tous nos organismes clients des efforts investis et de leur engagement à l'égard de l'amélioration de la sécurité et de la qualité dans les services de santé au Canada. Nous apprécions votre participation à la démarche continue d'amélioration de la qualité par le biais du programme d'agrément.

Les réalisations de votre organisme sont véritablement remarquables et elles devraient être célébrées. Félicitations!

Le nom des organismes de santé canadiens qui sont agréés par Agrément Canada sont énumérés dans les pages qui suivent. La liste est mise à jour chaque année. À l'exception du Québec, l'Ontario et le Nouveau-Brunswick, la liste des organismes agréés pour chaque province se divise en deux parties, soit les régies et les autorités régionales de santé agréées, puis tous les autres organismes agréés.

Advenant que votre organisme change de nom ou que surviennent des changements dans l'autorité régionale de laquelle il relève, nous vous prions de nous en informer. Si vous avez des questions ou des commentaires au sujet du présent document, n'hésitez pas à communiquer avec Julia Niles au 613-738-3800 ou 1-800-814-7769, poste 259.

Wendy Nicklin
Présidente-directrice générale

This page is divided into two parts. The top portion includes the accredited health authorities responsible for regional health service delivery as well as the accredited provincial health services authority, which is responsible for provincial programs and specialized services. The balance contains all other accredited organizations in the province.

La page est divisée en deux parties pour cette province. La partie supérieure comprend les autorités régionales de santé agréées responsables de la prestation des services de santé au palier régional, ainsi que de la Provincial Health Services Authority agréée, qui est responsable à son tour des programmes provinciaux et des services spécialisés. Le reste de la page est composé de tous les autres organismes agréés de la province.
